Department of Revenue  
Motor Carrier Services Division  
1881 Pierce Street  
Lakewood, CO 80214-1497

Dear Mrs. Nixon:

Re: Temporary Registration for the Seasonal Movement of Unprocessed Agricultural Produce

As more fully explained below and pursuant to § 40-16-110(5)(a), C.R.S., and Rule 4 CCR 723-6-6603(f)(II) and (III) of the Commission's Rules Regulating Transportation by Motor Vehicle, the Commission authorizes the Colorado Department of Revenue, Motor Carrier Services Division, through its Port of Entry weigh stations to issue temporary registrations to property carriers by motor vehicle for the seasonal movement of unprocessed agricultural produce to market or to places of storage.

Timothy Larsen, Senior Marketing Specialist for the Department of Agriculture, filed a letter with the Commission on June 18, 2008, stating, "Each year we face the challenge of bringing the Colorado agricultural harvest from the field. We would like to request the Colorado PUC issue temporary certificates for the seasonal movement of crops to help our industry handle this annual harvest. There is a shortage of authorized motor vehicles available during each harvest to insure the timely movement of crops from field to store or transportation locations."

The Public Utilities Commission (Commission) may, under § 40-16-110(5)(a), C.R.S., "authorize the Colorado motor carrier services division in the department of revenue to issue temporary registrations to property carriers by motor vehicle for the seasonal operation of motor vehicles for the purpose of transporting unprocessed agricultural produce to market or to places of storage. The duration of such temporary registrations shall be ninety consecutive days."

Rule 4 CCR 723-6-6603(f)(III) of the Commission's Rules Regulating Transportation by Motor Vehicle, states, "The Colorado Department of Revenue, Motor Carrier Services Division, through its Port of Entry weight stations may issue the temporary registration provided for in subparagraph (II) upon notification by the Commission identifying the specific counties, crops, and time periods for which the registration are required, as identified by the Colorado Department of Agriculture."
